

Start Time	Day-1: Monday, 12 June
9:00	<b>Opening Ceremony</b>
9:15	<b>Welcome talk: Potential of digital twins in agri-food supply chain (Prof. Barbara Sturm)</b>
9:30	<b>Keynote: Modelling for digital twin in horticulture: How to process live sensor data for real-time prediction (Dr. Reiner Jedermann)</b>
10:30	Coffee Break + Poster Viewing
11:00	<b>Oral Session: Models for Postharvest Processes</b>
13:00	Lunch Break + Poster Viewing
14:00	<b>Keynote: Multi-scale point cloud applications in the environmental sciences using LiDAR &amp; structure-from-motion (Prof. Bodo Bookhagen)</b>
14:30	<b>Oral Session: Sensors &amp; Digital Transition in Horticulture</b>
16:30	Coffee Break + Poster Viewing
17:00	<b>Oral Session: Model-based Process Control</b>
18:00	Get together: Snacks & Drinks (ATB, Potsdam)
	Day-2: Tuesday, 13 June
9:00	<b>Keynote: Multiscale modelling of postharvest storage processes (Prof. Bart Nicolai)</b>
9:30	<b>Oral Session: Modelling &amp; Simulation of Packaging &amp; Storage</b>
11:15	Coffee Break
11:45	<b>Oral Session: Non-destructive Assessment - I</b>
13:00	Lunch Break + Poster Viewing
14:00	<b>Keynote: Modelling canopy photosynthesis of greenhouse crop (Prof. Tsu Wei Chen)</b>
14:30	<b>Oral Session: Non-destructive Assessment - II</b>
15:30	Coffee Break + Poster Viewing
16:00	<b>Oral Session: Models for Produce Quality</b>
17:30	ISHS Business Meeting and Closing
19:00	Gala Dinner on the Boat (Weisse Flotte, Potsdam Harbour)
	Day-3: Wednesday, 14 June
9:00	ATB Guided Tour
12:30	Berlin City Guided Tour
